- (ii) Registered and accredited by Tertiary Education Commission (TEC);
- (iii) Registered as a training institution by the Mauritius Qualifications Authority (MQA).

It is also:

- (1) Affiliated with the Visvesvaraya Technological University (VTU), Government of Karnataka, India;
- (2) Affiliated with the University of Technology Mauritius (UTM);
- (3) An approved learning centre for the City & Guilds of London Institute;
- (4) Affiliated with the Malaysia University of Science and Technology (MUST).

VISION

"Enhanced quality of life for the benefit of society in diverse nations through education and training."

MISSION

"To provide our students with an outstanding quality and innovative education and training based on research and personality development to contribute positively to the society."

The Malaysia University of Science and Technology (MUST), Malaysia, was established with the assistance of the Massachusetts Institute of Technology (MIT), Cambridge, MA, USA, under an initiative of the Government of Malaysia to establish a university modeled after MIT.

MUST is registered under the Ministry's Private Higher Educational Institutions Act 1996 (Act 555) & Regulations and its programmes are according to the norms and quality of the Malaysian Qualifications Agency (MQA).

All the degrees awarded by MUST in Mauritius are recognized in Malaysia by the Ministry of Higher Education Malaysia.

MUST emulates MIT's method of teaching and learning which encourages creativity, analytical thinking, problem-solving, innovation and team-building. These are qualities that have been proven to be successful in producing entrepreneurial leadership in technology and business. MUST also nurtures a research-driven culture in all fields of expertise to ensure depth of understanding and confidence in facing practical problems.

The degree issued to successful students makes mention of the collaborative agreement with MIT.
